ABOUT THE CHAMBER

The mission of the Greater Pensacola Chamber of Commerce is to make our community the best place to run a business, raise a family, or visit on a vacation. Our staff works daily to achieve this objective and support our members. Whether through our networking opportunities, informational programs, the Total Resource Campaign, or our signature events like the PACE Awards, your Chamber is here to support the local business community.

Your Chamber continues to focus on issues that are important to your business. The Chamber has collaborated with CareerSource Escarosa to hire a Workforce Development Director to focus on local workforce needs. We have also started the Northwest Florida Business Roundtable to bring area business leaders together and engage in meaningful projects.

The momentum that our community has experienced is continuing to grow as we move into the future. Our economy is strong, our businesses are growing, and it's never been a better time to be a part of the Greater Pensacola Chamber of Commerce. I hope that you find the 2024-25 Greater Pensacola Chamber of Commerce Map a valuable resource. Please feel free to call me or the staff at the Chamber if we can ever do anything to assist you or your business.
