ABOUT THE CHAMBER

The Yuba-Sutter Chamber of Commerce supports the business community in the Yuba-Sutter region. With a long record of assisting local businesses, the Chamber connects commerce, community, and government to promote economic growth and a sustainable local economy. Our mission is to provide practical resources, networking opportunities, and advocacy for business success.

We work with businesses of all sizes—from startups to established enterprises—through programs that include educational workshops, marketing support, and networking events. The Chamber also organizes community events that highlight local culture and drive economic development.

EVENTS OF THE YEAR

- Taste of Yuba Sutter
- State of the Community
- Yuba-Sutter 2025 - Business Summit

ABOUT THE COMMUNITY

Yuba-Sutter, located in Northern California, is known for its agricultural roots and natural surroundings. The region's fertile lands contribute notably to California's agriculture. It offers a mix of small-town living with access to urban amenities, catering to families, businesses, and visitors.

The area features natural attractions such as rivers, mountains, and parks that support an active lifestyle. Local events like festivals and farmers' markets reflect the community's traditions. With solid educational institutions and a growing economy, Yuba-Sutter remains a community of opportunities.

We work with businesses of all sizes—from startups to established enterprises—through programs that include educational workshops, marketing support, and networking events. The Chamber also organizes community events that highlight local culture and drive economic development.
